Madam/Sir,

With reference to the subject cited, I am directed to say that all valid and eligible research publications of medical college teachers belonging to the VIMSAR cadre are required for the purpose of promotion and ensuring timely career advancement. The publications submitted by the faculty members should adhere to the Minimum qualifications for Teachers' Eligibility in Medical institutions regulations, as outlined by the National medical Commission (NMC) on February 22, 2022. Additionally, faculty members are required to attach certificates of completion for basic courses in Biomedical Research and Medical Education and technology from institutions designated by the NMC or the latest Dental Council of India guidelines. Furnishing any incorrect or falsified proof of index by the faculty members will be considered forgery and will result in punitive action against such faculties.

The Dean and Principal of the VIMSAR is hereby requested to evaluate and assess the received publications by a scrutiny committee constituted at the institute level, following the aforementioned regulations, and submit only the valid and eligible ones to this Directorate on or before Dated. 31.08.2023 via email:([director@vimsar.ac.in](mailto:director@vimsar.ac.in)) in the enclosed format for the further verification at this end. The scrutiny committee will be held accountable for any submission of non-valid or non-eligible publications to this Directorate.

All concerned authorities are requested to widely circulate this notice among all faculty members. This will enable them to submit their publications in accordance with the aforementioned Regulations.

It is made mandatory that faculty members are strictly prohibited from directly submitting their research publications to this Directorate under any circumstances. A copy of this notice should also be made available on the official websites of VIMSAR to facilitate widespread circulation among all concerned.
